GAME NEWS FOR DEC. 16/17, 2011

Tok Mites vs. Delta

The Tok Mites had a winning 1st start this season as they took on the Delta Mites on Friday night and Saturday morning. Tok Mites won Friday night 5-2, and Saturday morning 3-0. Tok Mites are: Dawson Young, Riley Young, Ethin Summar, Kallie Champagne, Willy James, Christian Albert, Dayton Landroche, Teddy Northway, Alexys Summar, Demitri James.

Tok Squirts vs. Delta

Tok Squirts started out the season with a bang - defeating the Delta Squirts in Friday night's game. 10-9, and narrowly losing in a close game Saturday 5-6. Tok Squirts are: Blake Sanford, Jessie Eschenbacher, Richard Charlie, Chase Weisz, Isabelle Northway, Timothy Thomas, Geneva Wilson, Tyler Berg, Anisa Arnold, Jada Arnold.

Tok PeeWees vs. Delta

The Tok PeeWees started the season with a challenge - namely, fielding a PeeWee team with only 3 PeeWees! As of this time, Clifton Summar, Dylan Weisz, and Trinity James are the only official PeeWees on the team. PeeWees are being nicely rounded out by many up-and-coming members of the Squirt team who are looking to build skills and get more play time. The young team played two tough games, going down Friday night to Delta by a score of 3-11, and Saturday 0-6. The kids are skating well and their skills are improving.

In other PeeWee news, the coach from Delta is interested in having Tok's PeeWees and possibly a few Squirts join up with Delta's PeeWees this year for a tournament in Fairbanks in January, the Presidents Day tournament in Anchorage in February, and the State PeeWee tournament in Anchorage. Jeff Summar will be getting out more info soon.
